REQUEST FOR Applications to provide family childcare services in the Northfield Community Resource Center in Northfield, Minnesota
Three Rivers Community Action, in partnership with Healthy Community Initiative and Southern Minnesota Initiative Foundation, is excited to announce a new space dedicated for a family childcare business to provide vital quality childcare services in Northfield.

**Location:**
Northfield Community Resource Center
1651 Jefferson Parkway, Northfield, MN 55057

We invite **YOU** to apply for this unique opportunity to provide family childcare services.

You may apply online at
www.threeriverscap.org/early-childhood/northfield-child-care-partnership
Features and Benefits
The selected childcare business will receive a 950-square-foot, professionally designed space in a great location. Other benefits include:

- Utilities and other building services at a reasonable lease rate.
- Quality, age-appropriate equipment and materials—valued at $15,000—with contributing support from local businesses and community organizations.
- Operations support, including business consulting services and a technology package valued at $2,000.
- Additional wrap-around services, including resources that can help special needs children in your care.

A Competitive Process
All interested applicants must consider the following priorities:

- The selected program will need to be licensed by the State of Minnesota. They must also be Parent Aware-rated or committed to starting the process within 12 months of occupancy.

- The selected program must provide care for infants and toddlers, and must be financially accessible to low-income families.

- Special consideration will be given to applicants who serve children whose primary language is not English, and those who provide care during nontraditional hours, including second-shift care.

How to Apply
You may apply online at www.threeriverscap.org/early-childhood/northfield-child-care-partnership

Applications received on or before February 28, 2022 will be given priority.
