

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

1A. Continuum of Care (CoC) Identification

Instructions:

The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/ask-a-question/>.

Collaborative Applicant Name: Three Rivers Community Action, Inc.

2. Reallocation

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

2-1. 2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2019 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$97,742				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
Rapid Rehousing 2017	MN0395L5K021701	PH	\$97,742	Regular

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

*** 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

Eliminated Project Name: Rapid Rehousing 2017

Grant Number of Eliminated Project: MN0395L5K021701

Eliminated Project Component Type: PH

Eliminated Project Annual Renewal Amount: \$97,742

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The project was eliminated because the applicant did not submit intent to apply for the 2018 funding round. For renewal projects, intent to apply is indicated by submission of project performance documents for review by the CoC Project Review and Ranking Committee. The initial deadline for renewal project materials was May 15, 2018, but no project materials were received. The deadline was extended for all projects to June 1, 2018 to allow for additional documentation. No project materials were received by that time. A partial set was received on June 6, 2018, but June 5 at 4:00 was the end of the grace period (with scoring penalty). The project applicant was notified of elimination and reallocation of project funds on July 3, 2018 (the same date as all renewal applicant notifications).

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$108,855					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
Silver Creek Corner	MN0247L5K021706	\$118,671	\$59,335	\$59,336	Regular
Hearth SE 2018	MN0151L5K021709	\$82,922	\$62,558	\$20,364	Regular
The Francis	MN0193L5K021708	\$116,467	\$87,312	\$29,155	Regular

4. Reallocation - Grant(s) Reduced Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2018 reallocation process. Collaborative Applicants should refer to the FY 2018 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Silver Creek Corner

Grant Number of Reduced Project: MN0247L5K021706

Reduced Project Current Annual Renewal Amount: \$118,671

Amount Retained for Project: \$59,335

Amount available for New Project(s): \$59,336
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The project was reduced based on the CoC's Reallocation Policy, which allows for voluntary reallocation by the project applicant. The applicant determined to reduce total CoC funds in the property to reduce the complexity for project staff in maintaining compliance with funders. Notification of intent to reallocate was received with the renewal project intent to apply by the May 15, 2018 deadline. The CoC verbally confirmed receipt of the notification prior to project rating. Formal confirmation of reallocation was sent on July 3, 2018 (the same date as initial scoring notification was sent to all renewal project applicants). A final notification was also sent on August 13, 2018 when final notice of acceptance/rejection, funding level, score, rank, and tier was sent to all project applicants that submitted in e-snaps.

4. Reallocation - Grant(s) Reduced Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2018 reallocation process. Collaborative Applicants should refer to the FY 2018 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Hearth SE 2018

Grant Number of Reduced Project: MN0151L5K021709

Reduced Project Current Annual Renewal Amount: \$82,922

Amount Retained for Project: \$62,558

Amount available for New Project(s): \$20,364
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The Hearth SE RA project was reduced based on the CoC's Reallocation Policy. The policy allows for involuntary reallocation from existing projects due to performance and/or fund management (recaptured or misused funds) to new/expansion projects that align with CoC priorities. The Hearth SE RA project had a substantial amount of funds recaptured in the past two grant periods and did not meet performance expectations in several key areas. As such, the CoC reduced the project to preserve the approximate amount actually spent plus a small amount to allow for changes in income/rent, resulting in a reduction of \$20,364 for the project. The project has accepted the reduction and will continue to serve the same number of households at the reduced fund level.

4. Reallocation - Grant(s) Reduced Details

Instructions:

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The Francis project was reduced based on the CoC's Reallocation Policy. The policy allows for involuntary reallocation from existing projects due to performance and/or fund management (recaptured or misused funds) to new/expansion projects that align with CoC priorities. If there is a positive balance remaining, this means the amount of funds being eliminated or reduced are greater than the amount of funds request for the new reallocated project(s). If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.
