Before Starting the Project Listings for the CoC Priority Listing

The FY2015 CoC Consolidated Application requires 2 submissions. Both this Project Priority Listing AND the CoC Consolidated Application MUST be submitted.

The FY 2015 CoC Priority Listing contains the following forms:

1. Reallocation Forms
2. Project Listings
   a. New Project Listing – will list the new project applications created through Reallocation and the Permanent Housing Bonus that have been approved and ranked or rejected by the CoC.
   b. Renewal Project Listing – will list all of the eligible renewal project applications that have been approved and ranked or rejected by the CoC.
   c. UFA Costs Project Listing – applicable and only visible for those 4 Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2015 CoC Program Registration process. Only 1 UFA Costs project application is permitted.
   d. CoC Planning Project Listing – will list the CoC planning project application submitted by the Collaborative Applicant. Only 1 CoC Planning project per CoC is permitted.

3. Attachments:
   a. Final HUD-approved GIW
   b. HUD-2991 – Certification of Consistency with the Consolidated Plan

Things to Remember
- The Priority Listing ranks the projects in order of priority all new project applications created through Reallocation and the Permanent Housing Bonus as well as renewal project applications and identifies any project applications rejected by the CoC.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2015 CoC Ranking Tool located on the HUD Exchange to ensure a ranking number is used only once. The FY 2015 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants should notify all project applicants no later than 15 days before the application deadline regarding whether their project applications will be included as part of the CoC Priority Listing submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the CoC Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing. Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.
- Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.

4-1 Complete each of the fields below for each eligible renewal grant this is being reduced during the FY 2015 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2015 Grant Inventory Worksheet to ensure all information entered on this form is correct.

Reduced Project Name: HMIS Southeast
Grant Number of Reduced Project: MN0058L5K021407
Reduced Project Current Annual Renewal Amount: $30,278
Amount Retained for Project: $25,000
Amount available for New Project(s): $5,278
(This amount will auto-calculate by selecting "Save" button)

4-2 Describe how the CoC determined that this project should be reduced.
(limit 750 characters)
We built in incentives for projects for chronic, veterans and youth, had adequate leverage/match, & good outcomes/data. Voluntary reallocation was requested of projects likely to be returning unspent funds. We reviewed LOCCS draws, data quality, audits, APRs, and application. Any failing to provide the required documents on time were reduced 1%. HMIS was additionally reduced due to concerns with timeliness of responses to concerns, and the added responsibilities of the CoC serving as local sys admin. After voluntary, 1% and HMIS reductions, the rest were reduced .26% to allow a Coordinated Entry application. The CoC Board and membership voted to fund CE which was either going to be funded by reduction or project fees; we chose reduction.

Grant Number of Reduced Project: MN0330L5K021400
Reduced Project Current Annual Renewal Amount: $17,703
Amount Retained for Project: $17,657
Amount available for New Project(s): $46
(This amount will auto-calculate by selecting "Save" button)

4-2 Describe how the CoC determined that this project should be reduced. (limit 750 characters)
We built in incentives for projects for chronic, veterans and youth, had adequate leverage/match, & good outcomes/data. Voluntary reallocation was requested of projects likely to be returning unspent funds. We reviewed LOCCS draws, data quality, audits, APRs, and application. Any failing to provide the required documents on time were reduced 1%. HMIS was additionally reduced due to concerns with timeliness of responses to concerns, and the added responsibilities of the CoC serving as local sys admin. After voluntary, 1% and HMIS reductions, the rest were reduced .26% to allow a Coordinated Entry application. The CoC Board and membership voted to fund CE which was either going to be funded by reduction or project fees; we chose reduction.
