

# Our Services

Hiawathaland Transit is a public transit, curb-to-curb bus service operated by Three Rivers Community Action, Inc. and is available to anyone for any reason. Riders of all ages use our Dial-a-Ride bus service to go to places such as work, school, the grocery store, doctors office or pharmacy, or to make friendly visits and many more locations! Our buses will transport up to three miles from city limits within your service community.

Our dispatchers are trained to handle all of your transportation needs and place you with the service that best meets your individual needs.

## For your *Information*

All of our vehicles are handicap accessible. When scheduling your ride, please inform the dispatcher if you would like to use the “lift” to board the vehicle.

We ask that you be ready and waiting 10 minutes in advance of your scheduled time and know the bus can run up to 10 minutes past your scheduled time. Once our bus arrives at your stop, it will wait for 1 minute before departing.
