VOLUNTEER CONFIDENTIALITY AGREEMENT

Volunteer Definition: An individual providing a service at “no cost” to assist in delivering a program function on more than a one-time basis.

As a volunteer of this organization, I understand that I must maintain the privacy and confidentiality of any and all participant information. I recognize the value and sensitivity of confidential information and understand that it is protected by law (Health Insurance Portability & Accountability Act).

I agree to maintain standards of confidentiality, as it is required of my role as a volunteer in providing services with Three Rivers Community Action, Inc.

I agree to keep all participant information confidential for an indefinite period of time, even after I am no longer volunteering with this organization.

This is the most important area for all volunteers to remember. In general, the same policies apply to volunteers that apply to paid staff.

1. There may be times that a child, individual or family may share information with you that is personal and confidential. Your relationship with the child, individual or family; their situation; and their personal affairs are privileged and confidential information.
2. Only talk in generalities about the child, individual or family. Do not talk about their personal lives, names, where they live, etc.
3. We want volunteers to talk about the program, benefits, your pride in your service, but do not talk about specific persons, their homes, their problems, etc.

I agree to follow the above Rules of Confidentiality. I understand that failure to do so will result in immediate dismissal as a volunteer.
